Growth In Sierra Leone Church Keeps Growing. A group of Temne people wanted to start a church in their community of Rochen Mara, Sierra Leone. But with few leaders, the believers said they needed “organization, a better understanding of the gospel, and some training in how to get a new church growing.”.

Where To Download Church Growth In Sierra **Council of Churches**

The consequences of this rapid and sustained growth are seen in many places in the world where the Church operates. Congregations that are grouped into geographical areas known as wards are periodically divided as they become too large to administer, or to worship in a chapel or meetinghouse all at once.
