Cities For People Jan Gehl

The Institute is a public charity and non-profit organization that will operate out of New York City. Gehl Institute shares the same ambition and vision as Gehl – that cities are truly made for people and the needs of people should be at the center of planning, design and the making of our urban environment.

Gehl — Making Cities for People

In this revolutionary book, Gehl presents his latest work creating (or recreating) cityscapes on a human scale. He clearly explains the methods and tools he uses to reconfigure unworkable cityscapes into the landscapes he believes they should be: cities for people.

Cities for People | Jan Gehl | download

Cities for People by Jan Gehl. Gehl is an architect and urban designer whose practice is well known for its attention to making public spaces that foster civic life. Underpinning his work is a critique of modern town planning's penchant for traffic flow and hard-edged design, where the conditions of common space are overshadowed (often literally) by an emphasis on individual buildings and unengaging facades.

Cities for People - Jan Gehl - Google Books

Unsurprisingly, people wanted a liveable city centre with more low-rise building, bike lanes, gardens, public spaces and less focus on retails. The wish for a “city for people, not for cars” was very clear. Gehl Architects demonstrated that as urban planners, we need to think as people, not as corporations.
