Make him feel like the man he wants to be. I've recently been introduced to a fascinating new concept in relationship psychology that explains so much about men: the hero instinct. The hero instinct is the basic biological urge men have to provide for and protect women. Simply put, men want to be your everyday hero. Not an action hero like Thor, but he does want to step up to the plate for ...

Show you like him, rather than just tell. Perhaps the most effective way to convey to a guy you like him is to show him with your actions, rather than just using your words. And the best way to do this is to make him feel essential to you. For a man, feeling essential to a woman is often what separates "like" from "love".
