The Progressive Era (1896–1916) was a period of widespread social activism and political reform across the United States of America that spanned the 1890s to World War I. The main objectives of the Progressive movement were addressing problems caused by industrialization, urbanization, immigration, and political corruption. Social reformers were primarily middle-class citizens who targeted ...

See our thematic page on COVID-19 and migration data for more data on the impact of COVID-19 on remittances.. During the COVID-19 pandemic, and despite projections to the contrary, remittances proved resilient. Since 2016, remittances have been the largest source of external finance flows to low- and middle-income countries (LMICs) other than China (Ratha et al., 2022). Though remittances are ...
