Populists in Power Around the World - Institute for Global Change

Populism offers the promise of democratic renewal, bringing new actors and policies into the political system. But while populist parties in power can make politics more representative, they can undermine accountability when their lack of ability or interest in legislating shifts policymaking to other actors outside the ruling party. Populists in government can also erode the institutional ...

From the theoretical tradition associated with Ernesto Laclau, 28 the populist logic may be contrasted with nationalists in one fundamental dimension. Whereas nationalists differentiate horizontally between those in and outside (the other) the nation state, populists differentiate on a down/up basis with antagonism between the elite and 'the people' as underdog.
